VANTAGEPoint

FS-1028MFP

Kyocera ECOSYS® Multifunctional Printers deliver the high performance, and low Total Cost of Ownership that today's cost conscious businesses demand.

With standard duplex print, copy and color scan capability, ECOSYS Multifunctional Printers offer a cost effective and reliable printing solution for your business communications, while helping to improve document productivity and lower operating expenses. Through Kyocera's advanced technology, energy use has been reduced and most replacement parts have been eliminated or replaced with long life components, reducing downtime and maintenance requirements.

And, unlike competitive products, ECOSYS printers offer efficient performance without excessive costs for supplies and service.

The FS-1028MFP shown with two (2) optional paper feeders **(PF-100)** and the optional 50 sheet reversing automatic document processor **(DP-110)**. This multifunctional printer has standard duplex capability and can support a maximum 800 pages from up to four (4) paper sources.
